**Write a short essay (two paragraphs) on the following topic:** “Why you are interested in the IB Programme?” Give some thought to what you want to say and try not to rely on the words “academic challenge” and “preparation for college.” These words, though they may be true, will not set you apart from other applicants.

Please use a word processor or type your essay and attach to this form.

*I verify that the attached essays are my own work and were written without outside assistance.*
